STUDENT TITLE IV CREDIT BALANCE STATEMENT

Student
Name: _____

(Please Print)

A Title IV credit balance occurs when the institution applies Title IV funds to my account that are greater than the amount for tuition, fees, room and board and any other authorized charges for my program.

Certification-please make a selection for the appropriate status

I am an active student:

I understand that my account may or may not develop a Title IV credit balance. If a Title IV credit balance does occur, I request that it be handled in one of the following manners. Please check one of the following boxes:

I authorize the college to retain any Title IV credit balance on my account to cover any additional charges I have incurred as a result of the cost of attending the college. After settling all current charges or previous charges, any remaining credit balances will be returned to me via check no later 14 days.

Excess Title IV funds will be returned to my lender to reduce my debt (within 14 days)

To me (within 14 days)

I have withdrawn:

I authorize the school to return any Title IV credit balance to the appropriate lender to reduce my debt (within 14 days of completion of a withdrawal calculation).
